**CERTIFICATE OF ANALYSIS****Product Information**

---

|                   |                                 |
|-------------------|---------------------------------|
| Product name      | Stabilized dNTP Mix, 10 mM each |
| Cat. No.          | C01689                          |
| Lot No.           | C20031903                       |
| Exp.Date:         | 01 Mar 2021                     |
| Storage condition | -20°C                           |

---

**QC Result**

---

| Test Items               | Specifications                                       | Results |
|--------------------------|--|---------|
| Concentration            | 10mM   | PASS    |
| Amplification capability | Up to 8000bp DNA fragment.                           | PASS    |
| Stability                | No activity lost after incubate at 37°C for 1 weeks. | PASS    |

---
